9 January 2004

Dear Colleagues Focal Points of IWCAM,

Identifying Demonstrations for Best Practices in Integrating Watershed and Coastal Area Management in the Small Island Developing States of the Caribbean (IWCAM)

Second Meeting of the Regional Steering Committee of IWCAM

Santo-Domingo, República Dominicana
11-12 February 2004

The United Nations Environment Programme Caribbean Regional Coordinating Unit (UNEP/CAR-RCU) and the Caribbean Environmental Health Institute (CEHI), co-executing agencies for the Project on Integrating Management of Watersheds and Coastal Areas (IWCAM), as well the Implementing Agencies, namely the United Nations Environment Programme (UNEP) and the United Nations Development Programme (UNDP) are pleased to invite you to the Second Meeting of the Regional Steering Committee of IWCAM, to be hosted by the Government of the Dominican Republic, in Santo Domingo, on 11-12 February 2004.

Having attended the IWCAM Partnership Conference in Barbados last October, we hope you will be able to represent your country again this time to continue our common effort under this initiative and we look forward to your positive response by the 19th of January 2004. If you are unable to attend, it is very important that you quickly request the relevant authority of your organisation to delegate one of your colleagues, before the same deadline.

The exact venue of the Meeting along with travel and hotel arrangements will be communicated soon by the Executing Agencies. UNEP-CAR/RCU will co-ordinate the issuance of visitor visas for the participants requiring it. Those who need a visa will be contacted.

The attached document present the provisional agenda of the Meeting and the provisional list of documents that will be available before the Meeting.

Yours sincerely,

Vincent Sweeney
Executive Director
